# EROTICA to read to your illiterate lover

Janice wanted to fuck the vampire. More than any werewolf or ghost. The thought consumed her. She unzipped Gary's dirty jeans to unleash his undead, alabaster peener and was stunned at what she saw.

"It ... it's so small and soft," she blurted gently, her super moist mouth suddenly drying up as if a dicksponge was recently in it. Gary explained.

"It has been too long since I've fed, and so my body cannot spare the extra blood required for an erection. Perhaps if I feasted on you for a bit?..."

Janice nodded, willing to sacrifice anything for a crazy fucking, and Gary plunged his teeth-boners into her thick neck, taking a good gallon of the yummy blood. Janice was pretty weak but she still went straight for his flesh stake, which was now hard as a rock.

"Oh. It's ... still so small."

"Yes. Sorry."
